Warm greetings everyone,  
This is Yerra Pranaya Rao, and I'm truly honored to share a little about my journey.

I'm a proud student of Akshara School\_ Kakinada from the 2015 batch. The values, education and support I received during my school days played a pivotal role in shaping who I am today, aspiring high in my career.

After completing school, I pursued my intermediate education at Sri Chaitanya Junior College, graduating in 2017. With a keen interest in technology, I then went on to earn my B.Tech in Electronics and Communication Engineering (ECE) from Pragati Engineering College, Kakinada 2017-2021

Driven by my passion for people and communication, I chose to enhance my career by pursuing an MBA in Human Resources and Marketing, which I completed between 2023 and 2025.

Today, I'm proud to share that I've been placed at KIA India \_ Ananthpur, serving as the Head of Employee Relations and Public Relations ( HR )

It's been an incredible journey so far and I owe a huge part of this success to the strong roots and values that Akshara instilled in me.

Thank you to all my teachers and the entire school community for being such an integral part of my growth.

Once an Aksharite, always an Aksharite!

Thank you."
