

**Pavani Majety**  
Senior Deep Learning Engineer, NVIDIA Enterprise AI  
Santa Clara, United States

Pavani Majety is a proud alumna of Akshara School, Kakinada, graduating in 2009. She continued her academic journey at Vellore Institute of Technology and later at the University of Michigan, Ann Arbor—ranked among the top six U.S. universities for Electrical Engineering.

Currently, Pavani serves as a Senior Deep Learning Engineer at NVIDIA, a global leader in Artificial Intelligence. Her work focuses on designing advanced mathematical software to power cutting-edge AI models, including GPTs and DeepSeek. She is deeply passionate about democratizing access to AI while championing ethical and environmentally sustainable growth in the field.

Beyond her professional achievements, Pavani is a Black Belt in Taekwondo, a journey that began at Akshara and culminated with certification from the World Taekwondo Federation at Kukkiwon.
